The Total Integrative Wellness Shop

I am a wholesaler of selected products and services that share my own food and supplement ideals of being non-GMO (certified where possible), antibiotic-free, free of artificial ingredients, organic (where possible), and U.S. grown, harvested and manufactured. My preference is always to offer my clients the very highest quality vitamins and supplements, while also accounting for taste, efficiency, and effectiveness.

All items sold at the Total Integrative Wellness Shop are sold at or slightly above the MAP (Minimum Advertised Prices) as set forth by the manufacturers of these products and supplements for resellers. Special pricing sold at MAP (does not include shipping fees) are offered ONLY to my coaching clients as a courtesy to them and so that they can quickly get started on the vitamin/supplement regimens I set forth within their individualized wellness plans.

As my website states in the "Your Health is Worth It" section, I don't expect to have "lifer" clients. The tools I provide through coaching should equip my clients to implement and integrate them into their lifestyles after a few sessions. The "clients only" pricing is available to all active clients and they agree to purchase these products through Total Integrative Wellness while they are clients. They are offered the lowest prices these products can sell for before shipping costs. After a client is no longer utilizing my coaching services and they wish to continue with a vitamin or supplement regimen, they may shop around and while

my pricing is no longer the lowest, it is still competitively priced. Clients are at that point free to purchase from any vendor they would like.
